FLYING TO AND FROM FARNBOROUGH

Privacy:

People are only allowed on-site who are connected with the airport or flying to and from

Customer Service:

On entering the airport you are looked after by experienced experts

Everything you need:

Complimentary car parking outside the terminal, Tesla charging points, concierge welcome, comfortable passenger lounges, the Aviator hotel located on site

World Class:

The Airport's philosophy is to consistently offer a five star service and an unparalleled experience

Safety:

A number of measures have been implemented across the airport in response to COVID-19

Pets:

The Airport understands how important it is for pets to travel with their owners so we offer a Pet Travel Scheme

Easy access to the M3 and major road links in and out of London. The Capital is also reachable via a 30-minute train journey

Fast Track:

For the exclusive use of passengers & crew, the Fast Track entrance enables even quicker access to & from the Airport

Groups:

We have an array of lounges, one of which can hold up to 80 passengers, perfect for privacy and first class comfort
